Abstract .........................................................................xi
Daftar Isi..........................................................................xii
Daftar Tabel .......................................................................xv
Daftar Gambar .................................................................xvii
Daftar Lampiran ..............................................................xviii

BAB I PENDAHULUAN......................................................1

1.1 Latar Belakang ............................................................1
1.2 Perumusan Masalah....................................................9
1.3 Tujuan Penelitian.......................................................9
1.4 Manfaat Penelitian.....................................................9
1.5 Metode Penelitian.....................................................10
1.6 Sistematika Penulisan ........................................................................................................14

BAB II LANDASAN TEORI ..................................................................................................16
2.1 Disiplin Kerja ......................................................................................................................16
   2.1.1 Pengertian Disiplin Kerja ..........................................................................................16
   2.1.2 Faktor yang Mempengaruhi Disiplin ......................................................................17
   2.1.3 Indikator Kedisiplinan .............................................................................................17
2.2 Kinerja ...............................................................................................................................20
   2.2.1 Pengertian Kinerja .....................................................................................................20
   2.2.2 Tujuan dan Manfaat Penilaian Kinerja ...................................................................20
   2.2.3 Mengukur Kinerja Karyawan ..................................................................................21
Hubungan Disiplin Kerja dengan Kinerja Guru dan Karyawan ..............................23

BAB III GAMBARAN UMUM PERUSAHAAN .................................................................25
3.1 Sejarah Singkat ..................................................................................................................25
3.2 Visi dan Misi ......................................................................................................................27
3.3 Tugas dan Wewenang di SMA Xaverius 2 .................................................................28
   3.3.1 Kepala sekolah .........................................................................................................28
   3.3.2 Wakil Kepala Sekolah .............................................................................................28
   3.3.3 Guru ........................................................................................................................30
   3.3.4 Wali Kelas .................................................................................................................30
   3.3.5 Pustakawan Sekolah ...............................................................................................31
   3.3.6 Teknisi Media ..........................................................................................................31
   3.3.7 Guru Bimbingan dan Konseling .............................................................................31
   3.3.8 Kepala Tata Usaha ..................................................................................................32
3.3.9 Satpam ................................................................. 32
3.4 Struktur Organisasi .................................................... 33

BAB IV HASIL DAN PEMBAHASAN ........................................ 34
4.1 Analisis Hasil Uji Validitas dan Uji Reliabilitas .................. 34
  4.1.1 Uji Validitas .......................................................... 34
  4.1.2 Uji Reliabilitas ....................................................... 35
4.2 Analisis Profil Responden ............................................. 36
4.3 Analisis Jawaban Responden ........................................ 40
  4.3.1 Kuesioner Disiplin Kerja .......................................... 40
  4.3.2 Kuesioner Kinerja Guru dan Karyawan ....................... 48
4.4 Uji Asumsi Klasik ...................................................... 51
  4.4.1 Uji Heteroskedastisitas .......................................... 51
  4.4.2 Uji Normalitas ..................................................... 52
4.5 Analisis Regresi Linier Sederhana ................................. 54
  4.5.1 Uji $R^2$ (R Square) ............................................... 54
  4.5.2 Uji t .................................................................... 55
4.6 Pembahasan .............................................................. 56

BAB V SIMPULAN DAN SARAN .......................................... 60
5.1 Simpulan .................................................................. 60
5.2 Saran ................................................................... 60
5.3 Keterbatasan Penelitian .............................................. 61
