

ABSTRACT

CHILDREN'S JOB EXPERIENCE THEME PARK PALEMBANG

Children's Job Experience Theme Park Palembang is an amusement theme park aimed at developing children's knowledge in profession terms. Children's Job Experience Theme Park Palembang is designed not only as a place to simulate the profession for children, but also as a place of recreation and education to improve children's insight through the work they want. In addition to recreation, children can also learn what things are needed when they work later. Facilities available at Children's Job Experience Theme Park Palembang is a playground with various professions, Parent's Lounge, Theater Building, and Restaurant. Children's Job Experience Theme Park Palembang is reserved for 3-12 year olds. The building will be designed with a hierarchical theme in the design. The theme will be realized through the form, appearance, interior, and landscape of the building.
