MOTTO AND DEDICATION PAGE

Motto:

“Lakukan apa yang kau mau, sekarang saat hatimu bergerak jangan kau larang. Hidup ini tak ada artinya, maka kau bebas mengarang maknanya seorang.”
(Baskara Putra – Hindia).

This undergraduate thesis is dedicated to:

1. My beloved Savior, Jesus Christ, whose unwavering presence and guidance have accompanied me throughout every step of this journey. In my prayers, who always ask for your help.
2. My amazing mother and sister, thank you for being by my side and giving me the opportunity to reach this point. Thank you for your care and affection, which always gave me refreshing moments that made me feel alive again. Perhaps you don't realize how precious that is to me in going through all of this.
3. Special thanks to my sister, G.A., who always gives her best for me—not only now, but in the past, present, and forever. Thank you for the many times you've made sacrifices for me. In the end, all of this, I wish to dedicate entirely to you.
4. Father Anselmus Inharjanto SCJ, M.Phil., as my thesis supervisor, who has guided me wholeheartedly from the beginning until now. Thank you for your patience and the guidance you have provided. I sincerely apologize for any inconvenience I may have caused.
5. All the lecturers of the English Language Education Study Program who have greatly supported me — thank you for the attention, guidance, education, teachings, comfort, joy, and valuable experiences that I have been fortunate to receive.
6. All the students of the English Language Education Study Program who were willing to participate in this research — your involvement has truly helped me. Thank you for your patience with me throughout the many times I had to reach out. I sincerely appreciate your help.

7. And finally, myself, M.A., thank you for striving and doing your best every single day. For having a heart that feels uneasy when duties are left undone. For having a mind that may not rest when something wrong is done. For holding onto the determination to always be a good person. For giving your all, driven by simple motivations that, nonetheless, move your entire being forward.
