## DAFTAR TABEL

Nomor Tabel	Halaman
IV.1 Urutan Aktivitas .....	IV-6
IV.2 Waktu Proses Kelos .....	IV-9
IV.3 Waktu Proses Ilani .....	IV-10
IV.4 Waktu Proses Boom Tenun .....	IV-11
IV.5 Waktu Proses Cucuk benang .....	IV-12
IV.6 Waktu Proses Palet .....	IV-13
IV.7 Waktu Proses Tenun .....	IV-14
IV.8 Waktu Antar Kedatangan Proses Kelos .....	IV-15
IV.9 Waktu Antar Kedatangan Proses Palet .....	IV-16
IV.10 Data Penjualan Kain Jenis Blacu Periode 1997 .....	IV-19
IV.11 Hasil Peramalan Permintaan Kain Jenis Blacu Periode 1998 .....	IV-20
IV.12 Data Waktu Proses Aktivitas .....	IV-23
IV.13 Data Mesin .....	IV-23
IV.14 Perhitungan Kapasitas Potensial Proses Kelos .....	IV-24
IV.15 Perhitungan Kapasitas Potensial Proses Palet .....	IV-27
IV.16 Kapasitas Potensial Stasiun Kerja .....	IV-28
IV.17 Jumlah Produksi Untuk Menentukan Satuan Waktu Siklus .....	IV-29
IV.18 Data Produksi Bulanan Periode 1997 .....	IV-34
IV.19 Perbandingan Hasil Perhitungan Dengan Keadaan Sekarang ...	IV-35
IV.20 Hasil Perhitungan Keseimbangan Lintasan .....	IV-38

# THE HISTORY OF THE

REPUBLIC OF THE UNITED STATES OF AMERICA

The history of the United States is a story of a young nation that grew from a small group of colonies on the eastern coast of North America to a powerful superpower that spans across continents. The story begins with the first European settlers in the early 17th century, who established colonies in Virginia, Massachusetts, and other parts of the eastern seaboard. These colonies were initially dependent on England for trade and protection, but as they grew, they began to assert their independence and demand more self-governance.

The American Revolution (1775-1783) was a pivotal moment in the nation's history, as the colonies fought for and won their independence from British rule. The Declaration of Independence (1776) was a landmark document that declared the colonies as free and sovereign states. The Constitution (1787) was then drafted to provide a framework for the new nation's government, establishing a system of checks and balances and a federal government with three branches: executive, legislative, and judicial.

The 19th century was a period of rapid expansion and growth for the United States. The Louisiana Purchase (1803) doubled the size of the nation, and the Westward Expansion movement led to the discovery of gold in California (1848) and the establishment of the transcontinental railroad (1869). The Civil War (1861-1865) was a defining moment in the nation's history, as it resolved the issue of slavery and preserved the Union. The Reconstruction era (1865-1877) followed, as the nation sought to rebuild and integrate the newly freed African American population.

The 20th century was a period of global influence and technological advancement for the United States. The country emerged as a world superpower after World War II (1945-1945), leading the world in economic, military, and cultural terms. The Cold War (1947-1991) was a period of tension and competition between the United States and the Soviet Union, which shaped the global landscape. The Vietnam War (1955-1975) was a controversial conflict that tested the nation's resolve and led to significant social and political changes.

The 21st century has seen the United States continue to evolve and adapt to a rapidly changing world. The 9/11 attacks (2001) led to a new era of security and surveillance, while the economic challenges of the 2008 financial crisis and the COVID-19 pandemic (2020) have tested the nation's resilience. The ongoing struggle for racial justice and equality remains a central theme in the nation's history, and the future of the United States remains uncertain as it navigates a complex and interconnected world.

## DAFTAR GAMBAR

Nomor	Halaman
II.1 Hubungan Sistem Produksi .....	II-2
II.2 Aliran Lini atau Aliran Garis .....	II-4
II.3 Aliran Intermitent .....	II-5
II.4 Diagram Pendahuluan .....	II-11
II.5 Pola Data Horizontal .....	II-15
II.6 Pola Data Musiman .....	II-19
II.7 Pola Data Siklis .....	II-19
II.8 Pola Data Trend .....	II-20
IV.1 Diagram Pendahuluan Proses produksi .....	IV-7

## DAFTAR LAMPIRAN

- Lampiran A..... Test Kecukupan Data Tiap Proses
- Lampiran B..... Peramalan Penjualan Kain Jenis Blacu Periode 1998  
dengan  $\alpha = 0,1$  sampai dengan  $\alpha = 0,9$ .
- Lampiran C..... Peta Proses Operasi Kain Jenis Blacu.
- Lampiran D ..... Plot Data Penjualan Periode 1997
