

ABSTRACT

ANALYSIS OF IMPLEMENTATION OF ISO 9001: 2015 CLAUSE 7.1.3 IN PREVENTIVE MAINTENANCE IN PT. WASKITA BETON PRECAST PLANT GASING

PT. Waskita Beton Precast is one company that manufactures full slab type precast concrete in Indonesia. PT. Waskita Beton Precast has many plants, one of which is in southern Sumatra, namely plant Gasing. PT. Waskita Beton Precast is ISO 9001: 2015 certified. Based on the results of the analysis, it turns out that PT. Waskita Beton Precast Plant Gasing has not fully implemented the ISO 9001: 2015 standard in its preventive maintenance infrastructure. Of the four levels of ISO 9001 documents, only level two and four documents of machine infrastructure are available.

Keywords: ISO 9001:2015, Preventive Maintenance, PT. Waskita Beton Precast.
