Jurnal Keperawatan Jiwa (JKJ): Persatuan Perawat Nasional Indonesia

Jurnal Keperawatan Jiwa (ISSN:2338-2090 / eISSN:2655-8106) publishes articles in the scope of mental nursing broadly but is limited, especially in the field of mental nursing in healthy groups, risks, and disorders. Articles must be the result of research, case studies, results of literature studies, scientific concepts, knowledge and technology that are innovative and renewed within the scope of mental nursing science both on a national and international scale.
