Jurnal Psikologi

Jurnal Psikologi (psi) is an open-access and peer-reviewed journal dedicated to publishing novel research in the field of psychology. Details on our focus and scope can be viewed here. Jurnal Psikologi (psi) is published three times a year, April, August, and December, and accepts current research articles that have the potential to make a significant contribution to the exploration and development of psychology and behavioral sciences. Articles submitted to this journal must display a well-thought-out study design, appropriate data analysis, and interpretation.

Jurnal Psikologi (psi) has been accredited by National Journal Accreditation (ARJUNA) managed by Ministry of Research, and Technology / National Research and Innovation Agency of Republic Indonesia with Second Grade (Sinta 2), Decree No. 30/E / KPT / 2016, valid until 2022. This journal is also acknowledged by the ASEAN citation index and DOAJ.

Jurnal Psikologi (psi), Universitas Gadjah Mada, Yogyakarta is in collaboration with Ikatan Psikologi Klinis (IPK), Asosiasi Psikologi Industri dan Organisasi (APIO), Asosiasi Psikologi Islam (API).

Jurnal Psikologi ISSN 2460-867X (online) ISSN 0215-0884 (print)
