ABOUT -

About the Journal

Lentera Perawat, with registered number ISSN 2722-2837 (Print) and 2530-3816 (Online), is a peer-reviewed journal published two times a year (January and July) by LPPM Akademi Keperawatan Al-Ma'arif, and since May 2022 joined LPPM STIKES Al-Ma'arif Baturaja. **Lentera Perawat** is intended to be the journal for publishing articles reporting the results of research on Health Science field especially Nursing and Midwifery, Public Health as well as with their development through interdisciplinary and multidisciplinary approach. The submission process of the manuscript is open throughout the year. All submitted manuscripts will go through the blind peer review and editorial review before being granted with acceptance for publication.

Originally published in 2020 still offline, Since 2022 Lentera Perawat has used an Open Journal System which requires all authors to register first before being allowed to upload their manuscripts online. After that, editors, peer reviewers, and authors can monitor the processing of the manuscript. **Lentera Perawat** is published by STIKes Al-Ma'arif Baturaja in Collaboration with Indonesian National Nurses Association (INNA) Dewan Pengurus Daerah (DPD) Kabupaten Ogan Komering Ulu.
